FAO Reports More Bread, Less Rice

The 18-nation council of the U.N. Food and Agricultural Organization convened at F.A.O.

Although the convention is take effect automatically in other recountries next month, in large the Knesset will first have to accept the decisions of the Geneva conference.

The copyright of on larged surction or other artist would be recognised in the U.S. for 60 years after the work was first published. This gives a larged copyright privileges equal to those of an American, however, applying for copyright here, where it is protected for 50 years after the author's death, will not be able to demand the more favourable local terms.

denth, will not be able to demand the more favourshie local terms.

The first international conference is protect the copyright privileges of authors and artists fut-side of their convention, took place in Berne in 18th. The major drawback of the convention, which was signed by Bresel in 18th, was that both Morth and South America become signatories. The recent candidate Brazillo had reduced to become signatories. The recent concerns, which was sponsored by UNESCO, everence American opposition, Representatives of the Rastern European constrince and of the Arab Elsen were absent from the meeting.

Dr. A. Sium. Geometel Registric of the Ministry of Justice, represented investigating and of the Arab Elsen were absent from the meeting. HAIFA, Wednesday.—The Hista-drut Executive is to appoint a commission to enquire into Is-rael ship repairs abroad, it was

UNITED NATIONS, Wednesday (UP). — The Chairman of the NATO Council said here yesterday that the organization helped to create "a general impression in Europe that for the moment there is no acute danger of a breach of the peace in Europe."

Mr. Ole Bjorn Eraft, who is also Danish Poreign Minister, told newsmen that in the three-and-a-half years of its ensistence, NATO had "nem able to exert an influence for the preservation of peace and stability. The North Atlantic Treaty will also increase our chances of warding off a new occupation of the free demo-cratic states in the event of a third world war."

He considered R impossible to defend Europe without Germany. "But Germany must go to defend Europe without Germany. "But Germany most go the democratic way."

Mr. Kraft criticized American impact restriction which prevented European countries from earning the dellars necessary to get along without ald."

Shishakly Denies Syria Dictatorship

"The Syrian people and army are democrats; Colonel Selo and I are not dictators," Colonel Adib Shashakly, Syria's C.-in-C. told a Yugoslav journalists' deligation visiting Damascus, according to Damascus Radio.

"We will soon permit the resumption of constitutional and partiament'sny life," he added. Referring to proposed Middle Bast defunce plans, Shishakly said he believed a country could only be defended by its own people and any plan which did not take this into consideration would not be accepted. He added that Syria strongly backed Egypt's reform and was ready to give her any assistance she wanted.

Shishakly is empecied to visit Egypt aust menth at the invitation of General Nagit.

RABAT. French Marceco, Wednesday (Router). — Bidl Mohan-med ben Yussef, Stillan of Morceco, said yesterday that his country had "outgrown" the French Protectorate Treaty of 1913, but a desire for national sovereignty did not candidate the man has reached too many years be ought to unably the ours and admit the younger the Market Drowny, of Balatad stated. "The own of his reign, the Bultan said that his hopes that France would alter the Protectorate regime had not been realized. He expressed himself in favour of organizing the country on the basis of a constitutional monarchy to achieve full independence.

The Market M drawings during the moetings there.

"It is no shame to be old, but when a man han reached too many years he ought to unastly the cary and admit the younger talests." Business stated. The greybeard is tenacious, and he came to the compress at Helicalski during the Summer Games. As we know he did not stand for election, but most people had supected he would have resigned. But, not at all. With a trembling voice Rimet declared that he had not full so well is many years."

Reparations Pact Is Long Step Ahead' for Germany-Adenauer

DJAKAITA, Wednesday (Reu-ter). — Tanks and troops were today reported to be patrolling the streets of Macassar, the Ce-lebes capital, where an army effi-eer, Colonei Warrouw, is said to have seized power after depozing the local army commander, Co. lonei Soebrotal

NEW YORK, Wednesday (UP). — West German Chancellor Konrad Adenauer yesterday said Germany had taken a "long step ahead" by signing the restitution agreement with Israel.

The Chancellor told New Yerk's German-language newspaper "Aufbau" in an interview that the signing of the agreement was "for me both extremely personal and in every respect an extraordinary experience. When I sat face to face with Foreign Minister the streets of Macassar, the Celebes capital, where an army office of a irreconcilable opponent of

posing groups.)

The Government today was awaiting the return of President Soekarno from a visit to southern Sumatra before discussing the Macassar incident.

Referring to Arab attacks on the agreement Adenauer said the criticism stemmed from the fact that the Arab world looked at the restitution pact "from a point of view which naturally differs from our own."
